Instructions: Copy word sort cards onto cardstock (preferably white). Laminate and cut out cards. Print off label template (included) onto AVERY 8195. Word cards can be sorted into library pockets or snack size zip-lock baggies. Label each library pocket or zip-lock baggie with the printed labels. Place word cards into the corresponding library pocket. We suggest you separate each word sort section using tabbed dividers of colored cardstock. Organize pockets behind appropriate section divider \& place in a container.
