**Course Description and Expectations**

This credit/non-credit or letter-grade continuing education graduate course is made possible through the Eccles Foundation, Crawford Foundation and the University of Utah Reading Clinic. The **Wilson® Level II Steps 7-12 Practicum** is intended to build on knowledge and skills gained in the Wilson Reading System® Level I Practicum by further preparing the participant to effectively implement a multisensory structured language reading program with at least one student reading and spelling below grade level, or one diagnosed with a language-based learning disability.

The course is designed to help educators develop advanced theoretical and practical knowledge of effective intervention for students with severe reading difficulties. Specific instructional techniques used in this practicum are grounded in cognitive research on the development of the ability to read words and research on effective instructional practices for students with severe reading difficulties.

Participants will focus on advanced word study, spelling skills, and application of fluent reading and comprehension of progressively more complex text. This practicum is one of the four components required to obtain Level II Certification. The practicum requires successful delivery of a minimum of 50 lessons starting at Substep 7.1 in accordance with the WRS® Steps 7-12 Practicum Study Guide with an approved student, and

submission of at least three videotaped lessons for observation and feedback. Participants are expected to:

- administer pre- and post-assessments to identify an appropriate student and measure growth
- appropriately pace a student through the upper-steps of the WRS<sup>®</sup> curriculum
- accurately teach the structure of the English language (presented in WRS<sup>®</sup> Steps 7-12)
- enhance instructional skills developed in Level I Certification
- The student must receive instruction in three 60-minute or two 75–90-minute lessons per week (at minimum)
- Practicum student must reach Substep 10.3 (or higher) of the program

Participants will receive extensive mentoring as they apply these techniques in a 1:1 tutorial setting. Through intervention, observation, coaching, reading, and attendance at clinical training sessions, participants will be expected to extend their knowledge of the following topics:

Planning & Delivering Differentiated Literacy Instruction

- structured, explicit, systematic intervention
- differentiated intervention in an MTSS system
- intervention in a whole classroom of varying abilities

Phonological Awareness & Basic/Advanced Phonics

- relationship between English orthography and phonology over literacy development
- phoneme basic and advanced awareness
- synthetic blending for one-syllable words, English syllable structure chunking for polysyllabic words
- basic and advanced spelling strategies
- instructional routines for decoding, encoding, and high frequency words

Text Fluency

- use of decodable text and enriched text
- purpose for reading
- building rate, accuracy & prosody
- echo reading, choral reading, partner reading, solo reading
- tracking in text for accuracy and prosody

Vocabulary

- academic vocabulary across content areas
- word level instruction for moving words into oral language

Comprehension

- appropriately challenging text
- making meaning in decodable and enriched text
- comprehension strategies as related to text structure
- building/activating background knowledge

***NOTE: Successful completion of both this course and WRS<sup>®</sup> Advanced Word Study Online Course will result in WRS<sup>®</sup> Steps 7-12 Certification. Wilson Reading System<sup>®</sup> Level II Certification will result after successful completion of WRS<sup>®</sup> Steps 7-12 Certification and WRS<sup>®</sup> Group Mastery Certification. Wilson<sup>®</sup> is a nationally-recognized program that prepares teachers to succeed with students who require intensive instruction.***

**Working with Minors: Your Background Check & Youth Protection Training**

You are reminded that you should be a positive role model for minors and conduct yourself in a respectful, honest, and caring manner. You may not engage in abusive conduct or speech toward a minor or any conduct or speech of a sexual nature.

All persons working with **students from the UURC** are required to provide the UURC with documentation of a cleared criminal background check. You may provide this documentation to the UURC via email, land mail, or by bringing it to the office. **START THIS PROCESS AS SOON AS POSSIBLE; IT MAY TAKE WEEKS TO COMPLETE!**

- a. If you are **practicing educator**, it is likely that you have already completed this process and have a record of such on the USBE CACTUS system. Visit the following website to view your records and obtain documentation: <https://www.uen.org/cactus/logon.do>. If the CACTUS system states that you that you do not need a background check at this time, please provide the UURC with that CACTUS message, and a copy of your current Utah educator license.
- b. If you are a **University of Utah student**, you should use the USBE Online License System because USBE clearance within the last 3 years is required for all University of Utah education coursework (e.g., EDU 1010, admittance to the teacher certification programs). Instructions are provided at <https://uite.utah.edu/students/background-check/>.
- c. If you are **neither** a practicing educator, nor a University of Utah student, you must still provide documentation of clearance from the Utah Bureau of Criminal Identification (UBCI). Please check the following websites for the application and directions to complete this process: <https://bci.utah.gov/criminal-records/criminal-records-forms/>

All persons working with **students from the UURC** are also required to complete the U of U Youth Protection Training prior to working with students. This training may be completed on-line: contact [youthprotection@utah.edu](mailto:youthprotection@utah.edu) and you will be directed as to how to proceed.

***Persons who have not completed these requirements by the first day of clinic will not be allowed to register for this course and will not receive credit for the course.***

### **Course Outcomes**

Assessment of Direct, Structured Literacy Teaching / Lesson Procedures will be scored as procedures are observed. **Participant must score 3 or higher for all items** on the final observation. For reference, see WRS® Steps 7-12 Practicum / Participant Study Guide.

### **Observation and Feedback**

**Three videotaped lessons** must be submitted to trainer for review and feedback. Each block of the lesson should be no longer than 30 minutes. (**Note:** After the first three video-recorded submissions (Observations 1-3), participants may be requested to submit an additional video if lesson procedures and instructional components do not yet meet the standards. If skills are not properly demonstrated after four total video-recorded lessons, participant must restart the practicum.)

### **TUTORING EXECUTION**

Tutoring during the practicum will earn 100%, 70%, or 0%. UURC staff conduct formal and informal observations as needed.

The criteria are as follows:

100%, Exceeds Expectations,

- a. Strong tutoring execution for most of the practicum.
- b. Strong ability to analyze and respond to student performance.
- c. Strong preparation and management of tutoring materials.
- d. Strong ability to integrate trainer feedback into tutoring performance.
- e. Strong contribution to training and debriefing sessions.

*It is important to note that failure to meet a majority of the criteria listed above constitutes grounds for a score of 70%.*

70% Meets Expectations

- a. Satisfactory-Moderate tutoring execution for most of practicum.
- b. Satisfactory-Moderate ability to analyze and respond to student performance.
- c. Satisfactory-Moderate preparation and management of tutoring materials.
